Otago inFORM Questionnaires

TEST102 Questionnaire Example  
Dr Speck

Student feedback contributes to planning and assessing course quality. When considering the questions, try not to let your overall reaction to the course prevent you from noting areas of strength or weakness. The questionnaires will be processed in confidence by the Higher Education Development Centre Evaluation Service. To know more about evaluation at Otago visit: <http://iform.otago.ac.nz/student>

When finished, click 'Submit questionnaire' for your response to count.

1. Overall, my learning experience in this paper was valuable. Strongly agree ○○○○○ Strongly disagree

2. To what extent did this course help you develop skills to solve real problems? To a very large extent ○○○○○ To a very small extent

3. There are no other learning outcomes that I would like to see included in this course. Strongly agree Strongly disagree

4. Details for assessment were clearly stated. Strongly agree Strongly disagree
